

# LIGHTWEIGHT ALUMINUM DOCKS

Manufactured by

*NuCraft Metal Products*

White See Thru Sectional Dock

NuCraft

Standard

Gray See Thru Rolling Dock

Patented NuCraft Crossarm (top)

Easier to adjust, won't crack or slip. More stable than standard cast clamps. "LIFETIME WARRANTY" on breakage due to normal use. Standard crossarm with cast stringer and crossarm clamps (bottom)

## CEDAR AND PINE DECKING

Our dock sections in 10' lengths have 21 boards per section and are screwed together underneath. What does that mean? Smaller gaps between boards and less chance of boards coming apart. COMPARE! 2', 3' and 4' widths are available. 10' long standard, 8' also available upon request.

Top Quality Cedar Decking

Premium Grade Pine Decking

## ALUMINUM DECKING

3' and 4' wide are available. 10' long standard, 8' also available upon request.
